

OUTSIDE THE CAMP BINGO

Week 1 — The Danger of Familiar Faith

Pick a square, complete a few this week, and step outside the familiar.

1. Read 5 verses slowly	2. Pray in silence for 10 minutes	3. Leave your phone in another room	4. Take a prayer walk	5. Worship without music
6. Ask God: 'Where have I become too familiar?'	7. Journal one place you've stopped expecting God to speak	8. Read Exodus 33:7–11 twice	9. Sit still and just listen	10. Pray before church starts
11. Choose one familiar rhythm and do it differently	12. Turn off the background noise	FREE SPACE GOT MY HANDS DIRTY		15. Spend 15 minutes alone with God
16. Write down your outside- the-camp move	17. Ask the Holy Spirit what He wants to form in you	18. Bow in worship	19. Skip autopilot today	20. Pray without a list
21. Go somewhere new to meet with God	22. Reflect on what roots pressure exposed	23. Share in Pass the Shovel	24. Thank God for His presence	

You do not need to finish every square. Let this be a fun way
..... to awaken hunger and expectancy.

ROOT TRUTH: Familiarity becomes dangerous when the rhythm that was meant to lead us deeper becomes the place where we stop expecting more.
